Bombay Hook National Wildlife Refuge Releases for Public Review the Habitat Management Plan

Bombay Hook NWR is seeking public review and comment on its draft habitat management plan. This Habitat Management Plan (HMP) provides a long-term vision and specific guidance on managing the refuge's habitats over the next 15 years (2020 to 2035). The public is invited to review the Draft Habitat Management Plan and Environmental Assessment. These documents will be available for a 30-day comment period.

Draft documents are available online at the refuge's official website

at https://www.fws.gov/refuge/Bombay_Hook/. You can contact the refuge at 302-653-9345 or at the email listed above to request more information.

You can submit comments on the draft plan to the refuge by mail at the address listed above or by email at IR1_BombayHook@fws.gov.

The mission of the U.S. Fish and Wildlife Service is working with others to conserve, protect and enhance fish, wildlife, plants and their habitats for the continuing benefit of the American people. We are both a leader and trusted partner in fish and wildlife conservation, known for our scientific excellence, stewardship of lands and natural resources, dedicated professionals and commitment to public service. For more information on our work and the people who make it happen, visit <http://www.fws.gov>.
